# PRODUCT SHELF LIFE

## Reference Guide

Ethical marketing practices have always been the foundation of all Titebond product categories. The shelf life of a product can sometimes be confusing, so please use this document as a reference guide for the shelf life of all Titebond wood glues, adhesives and sealants. Due to the varying chemical makeup of different technologies, the shelf life of products within a product category may differ.

If you have any questions, please contact our Technical Support Team at 1-800-347-4583, Monday through Friday from 8 am to 5 pm EST.
